

**ABOUT** Daniel Joseph Chenin Ltd. is a Las Vegas-based award-winning, multi-disciplinary design studio redefining luxury with an integrated approach that blurs the lines between design disciplines and project typologies.

We are currently seeking to fulfill the position of Interior Designer.

- REQUIREMENTS**
- Minimum 4+ years of relevant experience in the United States
  - Produce meeting minutes, RFI/submittal responses, and professional correspondence
  - Experience in sourcing materials, interior detailing, and furniture design, paired with comprehensive knowledge of product resources and methodologies tailored for luxury environments.
  - Coordinate with client/team and multiple furniture vendors to establish milestones and deadlines
  - Communicate with vendors to source products including materials, furniture, lighting, art, accessories, and fabrics necessary for design presentations and procurement
  - Conduct bid solicitations and reviews with vendors and in house procurement
  - Coordinate with team to organize and compile all FFE plans and schedules to interface with multiple furniture vendors
  - Review shop drawings for content and accuracy and ensure that they are fully coordinated with all pertinent internal and consultant drawings
  - Review samples, strike-offs, etc. for compliance with specifications and overall design intent

- PERSONAL ATTRIBUTES**
- Willingness to be collaborative and creatively approach every project
  - Strong desire to produce high caliber work with a high level of precision and detail
  - Demonstrate strong interpersonal communication, organization and leadership skills
  - Ability to exhibit sound and accurate judgment, support and reasoning
  - A passion of searching for new materials, furnishings, and design concepts

- NICE TO HAVE**
- Interior Design degree from an accredited institution
  - Professional Licensure, and/or actively pursuing
  - Experience in luxury residential, hospitality, and commercial design
  - Working knowledge in Revit, AutoCad, 3DS Max, Bluebeam, SketchUp, Rhino, Adobe Creative Suite, and Microsoft Office Suite

- BENEFITS**
- In addition to providing a dynamic and creative design studio, Daniel Joseph Chenin, Ltd. offers;
- Competitive compensation based on relevant skills, background and experience
  - Healthcare Benefit Plans
  - 401k with employer contribution and discretionary profit sharing
  - Paid time off and holidays
  - Discretionary bonuses
  - Professional affiliation dues
  - Opportunities for professional growth and continuing education
